

BLOCKCHAIN SUMMIT

26TH – 27TH JUNE 2019

OLYMPIA CONFERENCE CENTRE, LONDON

WELCOME TO BLOCKCHAIN SUMMIT LONDON.

EUROPE'S LEADING DEDICATED BLOCKCHAIN EVENT.

EVENT HIGHLIGHTS.

- Hear from 100 industry leading speakers with keynote presentations and panel debates
- More “real-world” case studies from companies who have started their Blockchain journeys.
- A conference programme designed to offer learning and insight as well as discussion with some of the industry's leading minds.
- Meet more of the industry's leading tech visionaries with previous participants including Oracle, IBM, Microsoft, Cognizant, Cisco, EY, KPMG, Accenture, Dell and many more.
- An interactive programme with meet the speaker, roundtable discussions and exhibitor demo talks.

ABOUT BLOCKCHAIN SUMMIT.

Blockchain is reinventing organisations with businesses developing their digital capabilities at an astonishing rate.

Now in its 3rd year, Blockchain Summit brings together industry thought-leaders and experts to share their experiences and explore how to unlock the value of Blockchain and Distributed Ledger Technology (DLT).

Learn - With unrivalled content and practical ‘real-world’ case studies, over 100 visionary speakers will address the challenges and opportunities Blockchain presents for Enterprise and Government.

Connect - An event programme designed to maximise engagement opportunities, networking and provoke high value discussions and partnerships.
